

Response to Restriction Requirement
Docket No. 037.0274.US.UTL

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

- 1 1. (original): A method of displaying a semi-transparent graphical
2 overlay in the corner of a video comprising:
3 retrieving a user's credit card information and an electronic video file
4 containing data representative of frames in a video,
5 combining the data contained in the electronic video file with the credit
6 card information to create a new file, the new file separating the video data from
7 the credit card information, the credit card information being stored in textual
8 form,
9 encrypting at least the video data,
10 sending the new file from a server to a client,
11 decrypting, at the client, the video data stored in the new file,
12 rendering, at the client, the video from the video data stored in the new
13 file, the step of rendering including placing a semi-transparent image in the corner
14 of the video whereby the image displays the credit card information,
15 displaying the rendered video including the semi-transparent image.
- 1 Claims 2-4 (withdrawn).
- 1 5. (original): The method of claim 1 wherein the first or second
2 personal information relates to the user's credit card number.
